

# GENERAL DATA PROTECTION REGULATION (GDPR) STATEMENT

## COOKIES

To make this Website work properly, we sometimes place small data files called cookies on your device; most Websites do this, too. These cookies cannot identify you.

A cookie is a small text file that a Website saves on your computer or mobile device when you visit the site. It enables the Website to remember your actions and preferences (such as login, language, font size, and other display preferences) over a period of time, so you don't have to keep re-entering them whenever you come back to the site or browse from one page to another.

## HOW TO CONTROL COOKIES

You can control and/or delete cookies as you wish. For details, see [aboutcookies.org](http://aboutcookies.org).

You can delete all cookies that are already on your computer and you can set most browsers to prevent them from being placed. If you do this, however, you may have to manually adjust some preferences every time you visit a site – and some services and functionalities may not work.

## DATA AND PRIVACY STATEMENT

We do not ask for, nor do we keep any unnecessary data from our visitors, clients, customers, or enquirers. To respond to e-mail questions, we DO require your name and e-mail address.

If you would like your details deleted from our records when we have completed our communication, then please contact our Webmaster via [hosting@jabeye.net](mailto:hosting@jabeye.net). We will verify your identity with an e-mail to your stored e-mail address and then comply with your request.

If we already hold your data (i.e. name, e-mail and/or postal address) and you would like it removed from our storage system, please e-mail [hosting@jabeye.net](mailto:hosting@jabeye.net).

Please be assured that we NEVER pass on your details to any other company or individual for their commercial or private use. We NEVER sell any data to any other company or individual for any commercial or private use.
